Destin Florida Home

Located in the Panhandle of Florida and just over 900 miles from Chicago, this home sports an open floor plan (1975 sq. ft.). It's located in the Miramar Beach Gulf Front community with over 500 feet of pristine white sand with access through a gated dune walk-over. It's a few doors down from the amenities (tennis courts and pool) affording both privacy and accessibility. Just a 2 block walk locates one at the beach and restaurants. Golfing, fishing, biking, nature walks and Designer Outlet Shopping are nearby.

The bright and airy three bedroom home includes 2 king size beds, has a private office and 2 full baths with one attached to the master suite containing a double whirlpool tub. Dining room, gourmet kitchen with a breakfast bar, and the living room backs to the sun room describes the interior. Use of a Broilmaster grill is also included. Home was built in 2005 and is tastefully furnished. No smoking and no pets. (Rates below)
